XION 4/30/2024 3:40 PM
Also Do you have any other lore about Mason I'd love to learn about it

Dr.Drom 4/30/2024 3:41 PM
Mason grew up in Georgia on the Countryside his Father fought in the Civil War for the Union seeing the betrayal of the Confederate state
After the war he meet Masons mother to where they had four kids he was killed after Southern supporters seemed revenge for his fight with the Union
His father was shot and hanged on a willow tree Mason grew up the oldest of his siblings
Rode with the Rangers at a young age and learned how to play the Piano from his Mom

XION 4/30/2024 3:44 PM
You and willow trees 😩

Dr.Drom 4/30/2024 3:45 PM
I know but it is a really common tree down South

XION 4/30/2024 3:46 PM
Ye u right,
Mason seems so nice with Florence lmao she's happy to have a pre registered customer

Dr.Drom 4/30/2024 3:47 PM
Yea it’s the same thing with Cross he cares for people

XION 4/30/2024 3:49 PM
Currently Florence is biting her tongue bc the mayor is like you would love to see THE PASTOR. We would love a PASTOR.

While she's beside him pretending the Valentine incident didn't occur

Dr.Drom 4/30/2024 3:49 PM
I heard what happened with John
I’m planning to make Mason maybe a Deputy
Depends on how things play out
Cause at the moment Mason has his sights on Florence and another Mable

XION 4/30/2024 3:53 PM

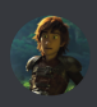
Dr.Drom 5/1/2024 12:57 AM
I've had it worked out in the past I played another character Fiorenzo D'Arco and him and his wife owned La Bastille

We still did this stuff



XION 5/1/2024 12:58 AM
Oh the sexual panic of a single Florence Phillips lmfao

Dr.Drom 5/1/2024 2:22 AM
Lmao yea once you get keys we can get a room together

> **XION** It was nice!! I loved that their version of aftercare was just "yknow next time we can try it on the bar in case it feels better here"

Dr.Drom 5/1/2024 2:23 AM

XION 5/1/2024 2:45 AM

XION 5/1/2024 10:00 PM
Yeah I was tryna word it but low and behold I fear the word squirt LMFAO

Dr.Drom 5/1/2024 10:20 PM
Lol I had to with Mason

Mason POV

That was good RP shows their bond

XION 5/1/2024 10:25 PM
Frrr I'm glad Mason was like "oh ok do you need a break" bc She was losing her rhythm/flow

Dr.Drom 5/1/2024 10:28 PM
Ye like Mason was told your lady comes first

I Wonder if it’s possible to get married don’t know if there is a Asian law preventing that

XION 5/1/2024 10:28 PM
No clue

Dr.Drom 5/1/2024 10:29 PM
I’ll look into it

Okay there are 15 states that prohibit it

During this time

Not sure about Tahoma

Dr.Drom 5/2/2024 8:34 PM
Hey do you have any screenshots of Florence

Might make a thing for Mason on character

XION 5/2/2024 8:35 PM
Yeah!
Unfortunately it's her in JAIL LMFAO 😭 but for character, don't name drop her just yet, I wanna leave it up in the air for a bit

Dr.Drom 5/2/2024 8:35 PM
Ye I won’t

You planning to get on today?

Also Snipping tool works if you want to take screenshots

That’s what I use

XION 5/2/2024 8:39 PM
I managed to get some decent ai versions

Dr.Drom You planning to get on today?

XION 5/2/2024 8:39 PM
Yep! Once I get home at least, I've been in the car for about 7 hours

Dr.Drom 5/2/2024 8:39 PM
Woah

XION I managed to get some decent ai versions

Dr.Drom 5/2/2024 8:40 PM
I can imagine she looks. Like that

XION 5/2/2024 9:12 PM
It was so hard getting good ones bc as soon as I mentioned she was Asian the ai was like WHOOPS ALL TRAD CLOTHING

Dr.Drom 5/2/2024 9:14 PM
Yea I hate when AI does that

XION 5/2/2024 9:17 PM
Yeah
Thankfully it went better this time

Dr.Drom 5/2/2024 9:17 PM
That's good

Dr.Drom 5/2/2024 9:25 PM
Ai Art can be dumb sometimes

XION 5/2/2024 9:27 PM
Literally I wish it made more sense sometimes but at the same time I'm glad it's bugged

XION 5/2/2024 9:38 PM
If you do make a character post for Mason do let me know I'd love to read it

Dr.Drom 5/2/2024 9:41 PM
I definetly will!

XION 5/2/2024 11:47 PM
Ok so!
Evangeline currently works at the trinity meadows location,
She will most likely be hanging around there at times
If you still wanted to meet her as someone lmao

Dr.Drom 5/3/2024 12:02 AM
Sure definitely I plan to make another character who wants his own ranch

XION 5/3/2024 12:02 AM
Cuteeeeee

Dr.Drom 5/3/2024 12:03 AM
Want a rundown of him?
Ye thats what I plan with this new one he's young 24 ran away from his Family Ranch after he was required to marry another ranch cause of their fued but he ran away to Tahoma to start his life and seeking his own fate and destiny
with a new ranch
Think I'm gonna name him Andrew Grander from Oklahoma
and start him out in Rhodes trying to find people who wish the same

XION 5/3/2024 12:04 AM
Oh cool

Dr.Drom 5/3/2024 12:05 AM
It's kinda based off this Western I am reading called the First Quick Draw

XION 5/3/2024 12:07 AM
Oh wow

XION 5/3/2024 12:19 AM
Oh wait lmfao you already have a character in the ranch? I didn't even realize

Dr.Drom 5/3/2024 12:22 AM

Ooo

Dr.Drom 5/3/2024 2:44 AM

XION 5/3/2024 2:45 AM
Oh interesting

Dr.Drom 5/3/2024 2:46 AM
How are things going with your character>

XION 5/3/2024 2:46 AM
Well, bandits came by that's a started LMAO

Dr.Drom 5/3/2024 2:47 AM

Dr.Drom 5/3/2024 2:49 AM

XION 5/3/2024 11:29 AM
Surprisingly it was six bandits coming by thru the oil fields

Dr.Drom 5/3/2024 11:39 AM
Lol

It’s probably the Red Dragons

XION 5/3/2024 11:39 AM
Red dragons? 👀

Dr.Drom 5/3/2024 11:40 AM
I don’t Like how there are more Outlaws the actual good guys

Yea its a small outlaw group they hang out in Val as do a lot of others

Bagman too

XION 5/3/2024 11:40 AM
Interesting

I think my only outlaw/criminal oc is Jericho and he's stuck between changing his ways and robbing a man for change

Dr.Drom 5/3/2024 11:42 AM
Lol

XION 5/3/2024 11:43 AM
He just likes to antagonize

Dr.Drom 5/3/2024 11:52 AM
Definitely a low honor character

XION 5/3/2024 11:54 AM
Oh yeah,
Well.
Sorta.
He bends the rules where he sees fit but he ain't a monster

He antagonizes those who do him wrong or are outright bigots

Dr.Drom 5/3/2024 11:56 AM
That’s true kinda falls in the middle

I’m still deciding what to do for Andrew

Get some money selling Lumber over maybe 2,000

Dollars

Get a House open a Ranch in Rhodes

XION 5/3/2024 11:59 AM
You can have him apply at Trinity lmfao
Or have him be a partner in the business

Are there even ranches still open

Dr.Drom 5/3/2024 11:59 AM
Sunset and one small one

So me making one should be good

XION 5/3/2024 12:00 PM
Oh rlly? Wait can you show me on the map

Dr.Drom 5/3/2024 12:14 PM
Ye

I'm not on at the moment but Sunset Dale and another one near Valentine

For Rhodes probably have to make one

XION 5/3/2024 12:15 PM
Ohhhh

Cool

Dr.Drom 5/3/2024 7:18 PM
John survived!

XION 5/3/2024 7:19 PM

Damn that's sweet

XION 5/6/2024 8:59 PM
She likes ladies 😩🫶🏻

Dr.Drom 5/6/2024 8:59 PM

Dr.Drom 5/6/2024 9:02 PM
True yet they like each other as well it's complicated
What do you mean by add on

XION 5/6/2024 9:02 PM

XION 5/6/2024 10:56 PM

XION 5/6/2024 10:57 PM
maybe your new character can go ham on Eva lmao

Switch roles

Eva as mason
And new oc as Florence

Dr.Drom 5/6/2024 10:58 PM
That can work

Like Mason goes after Eva

Or Eva likes Mason and they smash

XION 5/6/2024 11:00 PM
Yeah but Eva's a fine lil lady

Went to an all girls school type
Plus she lives in NH so it would be hard
So the feller she would want would need to be a hard working man who can make her giggle and smile while not pressing too hard

Dr.Drom 5/6/2024 11:01 PM
Hm

I'll think on it

Mason I feel is to far down the rabbit hole with Florence

but I will think on it

XION 5/6/2024 11:02 PM
Yeah bro finds out she's a lesbian and he's going to the bar

Dr.Drom 5/6/2024 11:03 PM

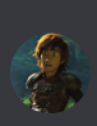
Like I said Mason was told by his Mom you always put your lady first

XION 5/6/2024 11:05 PM
Mason at the window like a sad dog

Ma'am that lesbian pussy..,, I require

Dr.Drom 5/6/2024 11:07 PM

It does hit though



XION 5/6/2024 11:19 PM

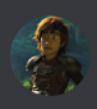
Hits different I’m telling ya

Why else would Margie like it

Dr.Drom 5/6/2024 11:19 PM

And Mason

What did it cost



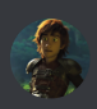
XION 5/6/2024 11:20 PM

“But we had sex.. so much..”

“Notice how I only finished if you touched me”

Ego crushed

Dr.Drom 5/6/2024 11:21 PM



XION 5/6/2024 11:22 PM

I don’t know this complex romance is interesting

XION 5/6/2024 11:25 PM

XION 5/7/2024 9:49 PM
Technically Eva wants to wait until marriage so I'd keep that in mind,
If it's their first interaction, she could just meet him like this(him helping her)
And then visit eachother again later on

Since now he knows she works at the ranch

> **XION** Technically Eva wants to wait until marriage so I'd keep that in mind, If it's their first interaction, she could just meet him like this(him helping her...

Dr.Drom 5/7/2024 9:50 PM
Yea definetly

XION 5/7/2024 10:42 PM

Dr.Drom 5/7/2024 10:43 PM
Bent as in

XION 5/7/2024 10:44 PM
She's smaller than him, she's being bent over fuckin him

Dr.Drom 5/7/2024 10:45 PM
Nicholas is not gonna have trouble lifting her up and carrying her neither

> **XION** She's smaller than him, she's being bent over fuckin him

Dr.Drom 5/7/2024 10:47 PM
We could do it in secret like we do Florence and Mason
unless you mean when married

XION 5/7/2024 10:48 PM
Or have him tease her
She rlly wants to wait until marriage so that way the day of they go crazy

Dr.Drom 5/7/2024 10:55 PM
How should I tease ya
Im so nervous Clyde is around
Clyde isnt around but nervous he will be

XION 5/7/2024 10:56 PM
Like how Mason pokes at Florence's ass at times
HAJCHAHAGAHA
use your eyes

Dr.Drom 5/7/2024 10:56 PM
I cant...

XION 5/7/2024 10:56 PM
Piper does that to Clyde a lot
Ig teasing wise he can just compliment her until her Face Is OVER red, bc it tends to make her feel warmer
Woo server reset

Dr.Drom 5/7/2024 11:00 PM
Yippy
How you think Im doing

XION 5/7/2024 11:00 PM
ITS CUTE I LIKE IT
I would back up a bit with compliments and aim towards subtle compliments that Can go over Eva's head

Dr.Drom 5/7/2024 11:01 PM
Thats what I planned gonna rile her up then take a step back
then rile her up again

XION 5/7/2024 11:02 PM
So when she talks with her girls they'll be like "shawty he likes you"

Dr.Drom 5/7/2024 11:02 PM
Hmm whats a good line

XION 5/7/2024 11:03 PM
Well she's peach blonde so peach related

XION 5/8/2024 2:52 AM

Yea definetly I want to try the one where you lay on-top of me and I lift your legs up and well fuck you

XION 5/9/2024 12:29 AM
Love the description

Dr.Drom 5/9/2024 12:31 AM
Maybe do a thigh thing as well where I take my arm and lock your arms behind you and extend you body forward and hold the neck with the other hand and in a standing position switching between thigh and ass

And then probably the sideways position as well too

On the floor

XION 5/9/2024 12:34 AM
Oooo that too

Dr.Drom 5/9/2024 12:34 AM
Oh I didn't relize there was more

XION 5/9/2024 12:34 AM
Yeah it's a lot to scroll thru

Dr.Drom 5/9/2024 12:37 AM
Maybe some foot stuff too where I crouch down and you lie back holding you legs up and use your feet there's another one too where I lie down and hold my legs up while you lay on me and rub on my dick

XION 5/9/2024 12:37 AM
Sure lol it's ur territory

Dr.Drom 5/9/2024 12:38 AM

Dr.Drom 5/9/2024 12:50 AM

XION 5/9/2024 12:50 AM

I purchase the house and open the door to the place we look around at the room and we love it we then go back outside and start talking about our future
then we decide to celebrate
So then we chuckle and I lead her into the house and start taking each others close off

XION 5/12/2024 11:05 PM
(You on btw)

Dr.Drom 5/12/2024 11:05 PM

XION 5/14/2024 11:51 PM

> **XION** And probably make me question if I do want her to wait until marriage with Nico bc she's that smitten

Dr.Drom 5/14/2024 11:53 PM

Does Nico have a green light

XION 5/15/2024 12:51 AM
Green light?

> **XION** And probably make me question if I do want her to wait until marriage with Nico bc she's that smitten

Dr.Drom 5/15/2024 12:51 AM
This

XION 5/15/2024 12:52 AM
It depends on how long until they get married or engaged

But for now, getting handsy is ok

I do like the idea of clothed grinding?
Like grinding in sex positions for the individual friction

Dr.Drom 5/15/2024 12:55 AM
Ye it’s nice until marriage do we want to do that

I mean I plan to have us married in a few days I’d that works maybe like 3-4

> **Dr.Drom** Ye it’s nice until marriage do we want to do that

XION 5/15/2024 12:56 AM
Yeah!
She's just not having intercourse or seeing him adult nude

We also need to confirm they are dating to the ranch so it isn't random

> **XION** We also need to confirm they are dating to the ranch so it isn't random

Dr.Drom 5/15/2024 12:58 AM
Yea we do

> **XION** Yeah! She's just not having intercourse or seeing him adult nude

Dr.Drom 5/15/2024 12:58 AM
No it’s kinda like making love but waiting for the good stuff

XION 5/15/2024 12:59 AM

Dr.Drom 5/15/2024 1:33 AM
Lol when we finally sleep together I’m so tempted to just shit on Ralph

XION 5/15/2024 1:33 AM
She'd be so upset tho 😱 if it's their first time and he brings up a different man

Dr.Drom 5/15/2024 1:33 AM
No no

He won’t

Was just funny for the shits and giggles but I won’t bring it up

Dr.Drom 5/15/2024 2:09 AM
That was really nice today

XION 5/15/2024 2:09 AM
It was lmfao

I'm gonna drop Eva at valentine to find Piper

> **XION** I'm gonna drop Eva at valentine to find Piper

Dr.Drom 5/15/2024 2:10 AM
Oke ye I wonder what’s gonna happen to Ralph

If you told Dustin what happened

XION 5/15/2024 2:12 AM
I have not not yet

Dr.Drom 5/15/2024 2:12 AM
Well ones thing for sure Nicholas and Eva are not inviting him to the wedding

If he does Nicholas would have him removed likely if he refuses to leave

Show up

No one treats his angel like that and gets away

and you can change Eva’s status from Single to dating too

XION 5/15/2024 2:19 AM
Yess

XION 5/15/2024 2:26 PM

XION 5/15/2024 3:17 PM

Dr.Drom 5/15/2024 3:18 PM

Dr.Drom 5/15/2024 3:40 PM

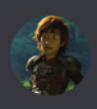
Nicholas to the rescue

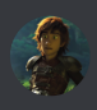
When he sees Eva gonna be like Rick Grimmes



XION 5/15/2024 3:44 PM
Nah she's ok in the doctors

It's pretty packed

Dr.Drom 5/15/2024 3:44 PM



XION 5/15/2024 3:45 PM
She's asleep at the docs

But I'm afk

Dr.Drom 5/15/2024 3:46 PM

XION 5/15/2024 3:46 PM

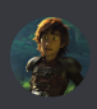
Dr.Drom 5/15/2024 3:47 PM
I'll be crying over the bed



XION 5/15/2024 3:47 PM
Nooooo

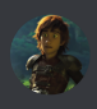
She just got morphine and she's resting rn

But the doc said she will need lots of fluids and food bc she's visibly more pale now after so much blood loss

Dr.Drom 5/15/2024 3:48 PM
Nicholas will make food for her

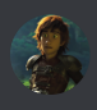
I'll leave you at the Docs for now gotta do something

My gf wants to play RDO



XION 5/15/2024 3:51 PM
No worries

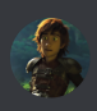
Dr.Drom 5/15/2024 3:52 PM
We'll do some cool recovery RP and that's when I present the ring



XION 5/15/2024 3:53 PM
Oooo maybe

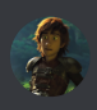
Dr.Drom 5/15/2024 3:56 PM
Like Nicholas takes care of her and watches over her as he recovers

She



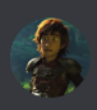
XION 5/15/2024 3:56 PM
Awe

Dr.Drom 5/15/2024 3:56 PM
I think it would be a good lead up to the proposal



XION 5/15/2024 3:57 PM
Yes I agree

Dr.Drom 5/15/2024 6:53 PM
Do you want to discord RP me finding you



XION 5/15/2024 6:56 PM

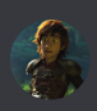
Dr.Drom 5/15/2024 7:23 PM
Sent message



XION 5/15/2024 7:24 PM
I'll get it in just a sec!

Dr.Drom 5/15/2024 10:03 PM
I won't be on likely as Nicholas likely but continue the RP in the server

XION 5/15/2024 10:03 PM
No worries!

XION 5/16/2024 9:14 AM
Are you on? 👀
Also can you send a reference of Nico

XION 5/16/2024 1:31 PM
Odd request but do you mink if *i* plan the proposal?

Dr.Drom 5/16/2024 1:31 PM
Ye
Go ahead

XION 5/16/2024 1:32 PM
Bet
Also could we have their relationship be DL? Just so Piper can notice the change in her before she talks about it lol

Dr.Drom 5/16/2024 1:34 PM
Ye

XION 5/16/2024 2:08 PM
I talked to Piper as Eve and she brought up a question
Not question but like, sorts
She mentioned would Nico, having read the papers, would let Eve still experiment and learn more of herself
despite being together

Dr.Drom 5/16/2024 2:09 PM
Yea definitely
Wait like Experiment how

XION 5/16/2024 2:11 PM
Like with Piper, talking with her and learning to understand her identity

Dr.Drom 5/16/2024 2:11 PM
Yea definitely as long as they aren't like together together

XION 5/16/2024 2:11 PM
Like dating? No yeah she wouldn't

Dr.Drom 5/16/2024 2:12 PM
Yeah or sleeping with each other Nicohlas would get jealous at that
But yea no definetly talking and getting to know Eva's identity better
If that's what you were asking

XION 5/16/2024 2:14 PM
Ye

Dr.Drom 5/16/2024 2:14 PM
Yeah just no doing anything with her like in a romantic sense if you are okay with that

XION 5/16/2024 2:15 PM
Oki
And would he be mad if Piper threw quick flirts? Just the normal ones she usually does

> **XION** And would he be mad if Piper threw quick flirts? Just the normal ones she usually does

Dr.Drom 5/16/2024 2:15 PM
No
Flirting is fine
Just no sexual or romantic aspects cause Nico would be jealous at that and upset at Piper permanently
and ICly would make her life a living hell out of spite

XION 5/16/2024 2:17 PM
Oh lord

Dr.Drom 5/16/2024 2:17 PM
Nico is very protective due to his background of having three sisters

XION 5/16/2024 2:17 PM
Nico HATES the sapphics jk

Dr.Drom 5/16/2024 2:17 PM
Lol

Yea just nothing romantic like y'all can still talk and she can shot quick flirts but nothing of the sorts involving romantic or sexual if you are okay with that

Like yea find out about your identity and chat

If you are good with that

XION 5/16/2024 2:19 PM
That's fine

Dr.Drom 5/16/2024 2:19 PM
You sure?

I want you to put in some input too if you want

You sure your okay with this?

XION 5/16/2024 2:23 PM
Well I feel Eva would ask for permission before any like, encounter Yknow? She wouldn't make moves without being open about it

Dr.Drom 5/16/2024 2:25 PM
Yea, I get what you mean I think tbh if Nico was invited would make him likely to say more yes if there was anything.

He is a dude after all

XION 5/16/2024 2:25 PM
But then that brings Piper into play,
Because of the Ralph situation

Dr.Drom 5/16/2024 2:25 PM
Yea that does

I think it's just best it be is two

I mean you can chat and talk with her if course but tbf it'll only complicate things

If it's brought further

XION 5/16/2024 2:27 PM
Yeah I understand that
but Piper and Eve already spoke on how it would be strictly out of relationship sake

Like it would make them closer as friends and mentors than a romantic relationship or dating partner

Dr.Drom 5/16/2024 2:28 PM
They aren't having sex?

Is what I am asking

XION 5/16/2024 2:30 PM
Probably like,
What we did with Nico and Eve? No intercourse but just the observation of eachother

Dr.Drom 5/16/2024 2:31 PM
Yea then that does work in that case

Im hoping on as Nicholas now

> **XION** Probably like, What we did with Nico and Eve? No intercourse but just the observation of eachother

Dr.Drom 5/16/2024 2:33 PM
Im okay with the observation of each other really as long as it isnt taken into the intercourse

I'm hoping in now

XION 5/16/2024 2:39 PM
Woo

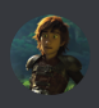
I'm with the others selling cows

Dr.Drom 5/16/2024 2:39 PM
Actually shit.. my gf needs me

I guess I wont be on as Nicholas will you be on later?

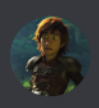
XION 5/16/2024 2:40 PM
Yes

Dr.Drom 5/16/2024 2:40 PM
maybe we can do our second date
third sorry
if you are better
and again yea I am okay if you two observe each other just nothing full on
If thats good with you



XION 5/16/2024 2:41 PM
Yeah no worries

Dr.Drom 5/16/2024 6:39 PM
You still on?
Might hop on as Andrew for a little
just to farm if your not on



XION 5/16/2024 6:40 PM

She got called several names by Courtney summers
Sighs
He even threatened to hit her

XION 5/16/2024 6:41 PM
Nah nah it don't need to be a big thing rlly

Dr.Drom 5/16/2024 6:41 PM

XION 5/16/2024 6:42 PM

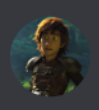
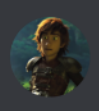
Dr.Drom 5/16/2024 6:44 PM
I will
lmfao
Where you at?



XION 5/16/2024 6:52 PM
I haven't sent the proposal thing yet bc I think it's a bit too early, timeline wise (Eva had a lot of stuff happen this week alone)

Dr.Drom 5/16/2024 6:53 PM
Ye true
Wasnt sure sorry
maybe next week we can do it



XION 5/16/2024 6:55 PM

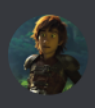
Dr.Drom 5/22/2024 6:56 PM

Yes Mame

what exactly is a promise ring



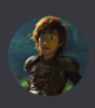
XION 5/22/2024 6:57 PM

Promise ring means promise to something like Nico promising to propose one day

That gives us both commitment AND time

Dr.Drom 5/22/2024 6:58 PM

Ill do it



XION 5/22/2024 6:58 PM

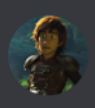
You don't need to be on your knee either

Since it's a promise not proposal

Dr.Drom 5/22/2024 6:58 PM

Yea in time

does this also mean like nothing happening with others too right



XION 5/22/2024 6:59 PM

It just means promising to propose lol, dw bout none

Dr.Drom 5/22/2024 6:59 PM
Oke

Dr.Drom 5/22/2024 7:12 PM
Ill behave
should I give Nico a beard

XION 5/22/2024 7:13 PM

how is your meeting going

XION 5/22/2024 8:07 PM
It's goin good

Dr.Drom 5/22/2024 8:15 PM
Thats good
I think also if Eva told Nico more of what she was doing Nico would be less nervous and paranoid

XION 5/22/2024 8:15 PM
Yeah that's true
But she means well, she really does. Sometimes she just forgets to say or chooses the wrong words

Dr.Drom 5/22/2024 8:24 PM
I know she does
and knowing now she is actually autistic it makes sense

Dr.Drom 5/22/2024 8:36 PM

Dr.Drom 5/22/2024 11:38 PM

XION 5/22/2024 11:40 PM

Dr.Drom 5/23/2024 10:27 AM

No

XION 5/23/2024 11:33 AM

Man my minds so jumbled about everything 😭 not that I hate Nico but the pace of it oof

Dr.Drom 5/23/2024 11:36 AM

Why is it so jumbled?

we can slow it down

like I said remember the promise ring

Its okay we can slow it down

and Nicohlas has gotten rid of his jealousy

XION 5/23/2024 11:47 AM

I know it's just a lot for me sometimes

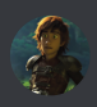
Dr.Drom 5/23/2024 11:47 AM

I know its oke

XION 5/23/2024 11:48 AM

Plus like, at the time in history people weren't official unless they married? So for the promise ring I know Eve holds Nico at a different level than other men already

Dr.Drom 5/23/2024 11:49 AM
Yea
I mean I know the week rule
at the end of the week on sunday right?



XION 5/23/2024 11:52 AM

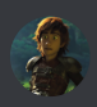
Dr.Drom 5/23/2024 11:53 AM
Is everything oke?



XION 5/23/2024 11:53 AM

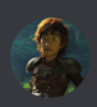
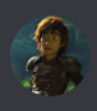
Dr.Drom 5/23/2024 11:53 AM
Oke
Nico really only cares about Eve



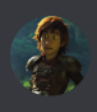
XION 5/23/2024 11:55 AM
Yeah I know
I'm surprised nobody has come up to him

Dr.Drom 5/23/2024 11:56 AM
How though?
like Piper, or Adelaide



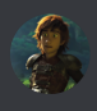
XION 5/23/2024 11:56 AM
Like in general

Dr.Drom 5/23/2024 11:56 AM
How so do you think Nico is that charming



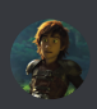
XION 5/23/2024 11:57 AM
I mean yeah he's a sweet talker isn't he

Dr.Drom 5/23/2024 11:57 AM
He is
but punching Piper lowered his social credit



XION 5/23/2024 11:58 AM
Nah, I doubt it, bc it was talked over

Dr.Drom 5/23/2024 11:59 AM
Im meaning in Valentine



XION 5/23/2024 11:59 AM
Unless they outright talk about you I doubt it

Dr.Drom 5/23/2024 12:00 PM
True but yea Nico only cares about Eva
and he is gonna marry her

Dr.Drom 5/23/2024 12:24 PM

Dr.Drom 5/23/2024 4:04 PM
Here take a look

> @Jack32 Idk why its now suddenly a thing thats being looked into.
>
> brainwather Today at 4:01 PM
> OK, thanks for answering my questions.
>
> It's being looked into now because we've been made aware of it on account of your property application.
>
> Unfortunately whatever headcanons of the passage of time you guys have had in closed circles does not apply to the parameters of the wider server.
> Yes, you might be excited for your character to introduce an infant, or you might think a pregnancy is fun at first and get bored a couple of months in, but you should think of that *before* you decide to roleplay your character getting pregnant. You cannot expect other players on the server to follow your headcanon timeline, and RPQM certainly won't either.
> Five or six months, I can understand. Two is not long enough. If you don't want to roleplay pregnancy, don't have your character get pregnant.
>
> I want you guys to redact your characters' twins and no longer let Evelyn get pregnant if you aren't going to roleplay the family realistically. The first child can remain, but they're not two years old. They were born in November and they are six months old.

smh

Dr.Drom 5/23/2024 4:51 PM

XION 5/23/2024 5:43 PM

XION 5/23/2024 6:37 PM

Dr.Drom 5/23/2024 6:38 PM

Okay..

Im treating him with a little grain of salt

Dr.Drom 5/23/2024 7:52 PM

West is mad at him now

Everyone hating Ralph

XION 5/23/2024 7:53 PM
What happened

Dr.Drom 5/23/2024 7:57 PM
Not sure but Ralph is treating everyone like shit
Adelaide is furious at him
Nicholas is furious at him
Piper is furious at him
Eva is likely

Dr.Drom 5/23/2024 8:42 PM
Im gonna hop on Nicholas soon if you arent buisy

XION 5/23/2024 8:43 PM

Dr.Drom 5/23/2024 9:32 PM

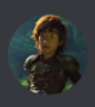
XION 5/23/2024 9:35 PM
Perchance

Dr.Drom 5/23/2024 9:36 PM
Perchance?
Why is it perchance



XION 5/23/2024 9:37 PM
Oh I was referring to a meme

Dr.Drom 5/23/2024 9:37 PM
I am terrible with jokes they always go over my head (edited)
but in all seriousness we are still good
Cause I do really want to take you on this hike with Nicholas

Dr.Drom 5/23/2024 10:28 PM
I left a message in the discord server for us
Im sorry I am juggling alot at the moment

Dr.Drom 5/24/2024 2:13 AM
Hey jeanedtoast I would like to sincerely apologize for my actions towards you overall, I did not mean to make you feel uncomfortable and I had nothing but good intentions overall and did not mean to place it upon you like that. I truly apologize for my overall actions deeply towards you and your characters I did not mean no initial harm or overall uncofortablility and I truly do apologize for that. Joziah told me and I wish I knew sooner that it was making you unconfortable, and what is done is done and I do apologize for that thouroughly I mean it deeply, I know you submitted stuff to administration and I can understand I am truly sorry again I did not mean to make you unconfortable and damaging whatever friendship we had truly I am really deeply deeply sorry and I hope you can forgive me for how I treated you and made you unconfortable

I really mean it I am sorry and Joziah gave me a run down on the complaint I am sorry

I didnt mean any harm by it at all truly and I leave it on that note I am sorry

XION 5/24/2024 12:52 PM
Hey can we talk.

Dr.Drom 5/24/2024 12:52 PM
Yea we can

Listen Im sorry

I didnt mean to make you feel that way

I shouldnt have said what I said

XION 5/24/2024 12:54 PM
I know I just.
Are you letting Artzerri say things about me..

Dr.Drom 5/24/2024 12:55 PM
She sent me some screenshots of your conversations in DMs as well cause I told her what happened

XION 5/24/2024 12:56 PM
I'm worried I'll lose more than I already have

I don't hate you, Mog. I really don't.

Dr.Drom 5/24/2024 12:57 PM
I dont either jeanedtoast I just wish you told me first that it was unconfortable, or straight up stop and I wouldve stopped then and there like seriously even ask Atzerri when I played as John Cross and she said no IC and OOC I walked away even Scarlett same thing too I wouldve walked away from the situation on all my characters (edited)

XION 5/24/2024 12:58 PM
I know, but it was coming to a point where I couldn't control things anymore and I couldn't just pick at it bit by bit

Dr.Drom 5/24/2024 12:59 PM
I know it was and Im sorry for that, like I said if you just said stop I wouldve stopped.

Im relizing that too now

that it was indeed getting out of hand

XION 5/24/2024 1:00 PM
Mog I know about the other folks too though ..

Dr.Drom 5/24/2024 1:01 PM
With John you mean

XION 5/24/2024 1:02 PM
Like in general, the obsession the character stalking,,

Dr.Drom 5/24/2024 1:03 PM
Ah, I think alot of it was honestly mental people were also filling my ego and I got lost mentally in it too (edited)

I kinda scared honestly that its became addicting too

XION 5/24/2024 1:05 PM
I've heard things about Atzerri, like things she's tried to advocate for

Dr.Drom 5/24/2024 1:05 PM
Like what exactly?

XION 5/24/2024 1:06 PM
Rape kinks and shit

Dr.Drom 5/24/2024 1:06 PM
Im not exactly sure about that but I think your getting alot of information from Kusheil I know they bud heads alot

XION 5/24/2024 1:07 PM
It's just been in the air for me really

I've gotten a lot of messages from a lot of people so it blurs

Dr.Drom 5/24/2024 1:08 PM
Atzergolds a good person tbf, but Im not exactly sure on that subject tbf. I just got lost in my ego since John, and everything and just became tbf just addicted to the thrill of it.

When I get back I only plan to really play as Fiorenzo and no one else

I talked with Joziah and he was upset at us both

XION 5/24/2024 1:10 PM
Yeah, I noticed, he wasn't direct with me

Dr.Drom 5/24/2024 1:11 PM
Just yea Im sorry I dont want this to ruin our friendship either way tbf, he removed us both from the faction for a time

its also alot of issues on my own part too I suffer from Despraxia

XION 5/24/2024 1:14 PM
Nono I completely understand

Dr.Drom 5/24/2024 1:14 PM
Should probably put that in my bio just in case but anyways, I just have really bad perception and planning and organization

XION 5/24/2024 1:14 PM
I think we both went a bit insane after Florence and Mason

Dr.Drom 5/24/2024 1:14 PM
Yea we did

it was just a bleh situation, I mean im upset I got banned and Kayoshi is really upset at me because of this I felt really small today

waking up to a bunch of messages from diffrent people

I also think I was just upset I couldnt get on Nicholas when I could and was getting upset that I couldnt spend time with Eva and it became a obssesion

cause of the amount of characters

Im sorry for that

then obviously jealousy and need to control I am really sorry for that too

I needed this break anyways

Just to focus on myself and just mentally

Im sorry

XION 5/24/2024 1:28 PM
It's alright, please take time for yourself.

Dr.Drom 5/24/2024 1:31 PM
Yea I will

Dr.Drom 5/24/2024 3:30 PM
Hey can we talk again.

XION 5/24/2024 3:30 PM
Sure

Dr.Drom 5/24/2024 3:31 PM
I mean no offense, but how many people did you share the shit with?

XION 5/24/2024 3:32 PM
Wyrm and Zel,
As peers they were the first folk I turned to for help on it

Dr.Drom 5/24/2024 3:33 PM
Alright well thank you very much cause I keep on getting messages from almost every living person and its getting on my nerves really hard right now

XION 5/24/2024 3:33 PM
:(I didn't mean for that to happen,
Sincerely
Everyone else who contacted me POST report had some feeling it was me

Dr.Drom 5/24/2024 3:34 PM
Hm
how so that it was your fault

XION 5/24/2024 3:35 PM
Like they know we interact a lot (like in chat we would bounce off each others comments)
So they came to me after they noticed your disappearance

Dr.Drom 5/24/2024 3:36 PM
Yea, and while we were talking I had two more messages roll in
Im not mad I am just.. irritated and annoyed
cause every nutjob on their computer has it saved
like its a trophy

XION 5/24/2024 3:37 PM
Who's messaging you, if I can ask

Dr.Drom 5/24/2024 3:37 PM
Zytum, Destroya, Les Grossman,Joziah

> **Zytum** Today at 3:33 PM
> You still looking for FAMILY MEMBERS? (edited)
> 🙂 (edited)

He edited it asking about what was happening
I swear at this point Im just gonna break down because of all this

XION 5/24/2024 3:39 PM
I have legit no idea who tf that is
Dude I'm so sorry, I even checked the server, I have no idea who tf Zytum is or grossman
I'm assuming they had your user saved and noticed you were gone

Dr.Drom 5/24/2024 3:43 PM
Probably, what done is done and now everythings likely ruined

XION 5/24/2024 3:44 PM
The only people who came to me after the ban went thru was only folk who asked if u we're banned

Dr.Drom 5/24/2024 3:45 PM
Yea and likely their telling others
at this point Im gonna make a report the admin team
I dont even know what to do at this point
At this point Im just thinking of giving up everything

Dr.Drom 5/24/2024 3:57 PM
I just wish you told me first
Sorry if I am bothering I AM REALLY UPSET!
and you can care less anyway

Dr.Drom 5/24/2024 4:15 PM
Just sorry Im gonna go for now

Dr.Drom 5/24/2024 7:02 PM
i am sorry for making you feel as i did, it was never my intention and i'm sorry. i wish you could have just talked to me instead of telling everyone and leaking private conversations to the server. i would have stopped, but still i'm sorry for my behaviour. to ensure it never happens again, i am going to stop rping with you and block you on discord so that we don't have to cross paths again. (edited)

Dr.Drom 6/1/2024 7:17 PM
Hey, I know I said we wouldnt cross paths again but I wanted to let you know you shouldve told me that Kushiel was saying that stuff about Aztergold

XION 6/1/2024 7:17 PM
Oh, she dmed me already

Dr.Drom 6/1/2024 7:17 PM
I know

I told her what you told me about that

XION 6/1/2024 7:19 PM
Yeah,, I sent her everything kushiel said

Dr.Drom 6/1/2024 7:20 PM
Yeah I know, also Im deleting Lawrence, Mason when I get back too I thought I let you know and just gonna do my own stuff for a while (edited)

XION 6/1/2024 7:21 PM
That's alright, ty for letting me know.
I hope we can start over one day. And I hope you're well, Mog

> **XION** That's alright, ty for letting me know. I hope we can start over one day. And I hope you're well, Mog

Dr.Drom 6/1/2024 7:24 PM
Lawrence Im just gonna leave a letter hes gone back to New York to start his own ranch, Mason Im gonna just say he fell into alcoholism and his liver gave way. We can definitely start over yes as your okay with that, Im okay I kinda feel into a depression a little. (edited)

XION 6/1/2024 7:25 PM
Please stay safe, reach out to folk if you need it. I'll make sure to imply these to canon

> **XION** Please stay safe, reach out to folk if you need it. I'll make sure to imply these to canon

Dr.Drom 6/1/2024 7:26 PM
I am I dont really have folks to reach out to but yea do you mind if I write the letter here? (edited)

XION 6/1/2024 7:31 PM

> **XION** If you want, you can telegram it

Dr.Drom 6/1/2024 7:33 PM
I dont think I know Evas telegram

XION 6/1/2024 7:33 PM
I can get it once ur free

Dr.Drom 6/1/2024 7:37 PM

XION 6/1/2024 7:39 PM
True

Dr.Drom 6/1/2024 7:39 PM
did Joziah allow you back in btw

and also it would make sense IC would probably take two weeks to get back to NY from Tahoma

XION 6/1/2024 7:41 PM
I moved in with the Harkins,

Dr.Drom 6/1/2024 7:41 PM
Im glad that worked out

Eva deserved to be with Fionn anyway Nico was a jealous guy but the letter will explain it better

XION 6/1/2024 7:45 PM
~~I know it's not funny but uh yeah it was a good choice to settle with a letter bc Trinity and Harkin wanted Nico dead dead~~

Dr.Drom 6/1/2024 7:45 PM
Yea, I dont doubt that lol

XION 6/1/2024 7:46 PM
Did you want him CK'd or just like
Vanished

Dr.Drom 6/1/2024 7:46 PM
CK'd youll see in the letter gonna write it now

Hes lives out his days in New York

This is just a forewarning too do you have any problems in the letter I show how Nico felt IC?

XION 6/1/2024 7:49 PM
I'll have to see? After I read it

Dr.Drom 6/1/2024 8:00 PM
*Dear Eva

If you are by chance reading this letter. I have taken my leave of Tahoma. Ive moved on back to New York with my Father and Mother. I've started a ranch of my own up here and just recently got married too and I won it against a guy in Poker. He wasn't to happy but... that isn't why I am writing this letter. Eva I was... am a jealous man. I cared about you, I really did but even after all I did for you and time I tried to spend time with you I began to feel I was not loved by you. You treated me like trash always pushed me aside for someone else. I was there for you with that incident with Ralph, I knew about Piper, and that other person at the Ranch the women with glasses. I hope you dont make the same mistake with that Irishman Fionn. I know this letter sounds very harsh but.. the day I proposed to you was the day I wanted to confirm my thoughts. I was right... you never cared for me. I just hope your happy and well with whoever your with now as well other folks at Trinity but... I was a fool to have fallen in love with you. I was such a fool and nothings gonna change that. Be well Eva
Sincerely, Nicholas Lawrence* (edited)

Again I dont meen this OOC this is all IC (edited)

XION 6/1/2024 8:01 PM
That works

I'll get you her telegram if you still want it

Unless you just want the letter to be thru here

Dr.Drom 6/1/2024 8:03 PM
Through here

I mean hes already left for New York

As for the whole Florence thing Im not sure?

XION 6/1/2024 8:05 PM
Eh Florence is getting CK'd regardless

Dr.Drom 6/1/2024 8:05 PM
Something happen

XION 6/1/2024 8:05 PM

XION 6/1/2024 8:06 PM

Dr.Drom 6/1/2024 8:06 PM

XION 6/1/2024 8:06 PM

Dr.Drom 6/1/2024 8:07 PM

XION 6/1/2024 8:07 PM

XION 6/1/2024 8:08 PM

Dr.Drom 6/1/2024 8:08 PM
Andrew Grace - Born in 1876 in New York growing up in the Hudson Valley in the city of Albany. Growing up Andrew was born to a middle class family his father Josiah Grace and Maria Grace his Father a banker, his mother stayed and cared for Andrew at home. Growing up was not all easy for Andrew as his father was absent threw out his life and did not care much for Andrew threw out his life. However at the age of 16 his mother died from measles and his father sooner or later at the age of 18 ended his life after falling into a depression. Andrew however found his way threw numbers quite easily came to him following the footsteps to become a Accountant and attended University to become a Accountant and began working in a firm not so later in Albany. Though as he notices the benefits of travelling West will bring he decides to pack his bags and head on his horse to Tahoma while on his travels he ran across a Native women by the name Ayiana. Originally scared to say anything he noticed that she was hurt badly and was injured likely from a animal believably wolves. Seeing that it was dark too Andrew gently placed her on his horse and set up camp tending to her wounds the best he could as the closest town was Strawberry. As he gently made things comfortable for her he watched threw out the night for any straying animals mainly wolves but as he heard rustling her turned his head to find her going threw his bag and taking his belongings. Andrew initially was shocked running over and taking her hand as they rustled the bag finally growing tired they just decided to sit by the fire Andrew gave her water and food and tended to her wound. As the days turned into Weeks Ayiana began to follow Andrew constantly around watching him do everything as she began to make gifts for him and Andrew in return gave her food and water and warmth. As they began to spend time together they became more attached and turned into a romance. Deciding to become partners

Relevant few being proper admin, obvi a friend I rely in, and one other person but they haven't like asked or anything

> **XION** Not a lot, only the relevant few

Dr.Drom 6/1/2024 8:37 PM

I know some people dug around too and now are targetting my character cause of it

XION 6/1/2024 8:41 PM
Who ?

Dr.Drom 6/1/2024 8:41 PM
Grossman did and some others
admins told people
Kyle and Subway are targetting my family Grossman said it was cause of grammer, ERP, and another stupid thing I was doing which was LCN Rp as Fiorenzo
and then likely Kushiel with Andrew
thats why me and Mei are RPing in that section of the map
I think admins sent screenshots of the text you sent them to people

XION 6/1/2024 8:46 PM
Kushiel more likely

Dr.Drom 6/1/2024 8:47 PM
Yea
Also did Fredrich and Annie get married today

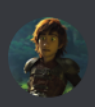
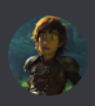
XION 6/2/2024 12:40 AM
nah

Dr.Drom 6/2/2024 12:44 AM
What made Florence go on the rage XD?



XION 6/2/2024 12:44 AM
Marguerite, the woman she opened the shop for had been killed
which means she had no other reason to live

Dr.Drom 6/2/2024 12:46 AM
Oh duh
I meant like how it started lol



XION 6/2/2024 12:47 AM
she killed random npcs. got bolder and used a gun, ran to the church.

Dr.Drom 6/2/2024 12:48 AM
Ah lol
Was Florence killed

> XION she killed random npcs. got bolder and used a gun, ran to the church.

Dr.Drom 6/2/2024 12:49 AM

XION 6/2/2024 12:49 AM

Dr.Drom 6/2/2024 9:34 AM
Ah oke oke

Dr.Drom 6/3/2024 4:22 PM
Look in Rhodes and SD for a priest

Cade is the name of one of them one who married me and Mei (edited)

XION 6/3/2024 4:24 PM

Dr.Drom 6/3/2024 4:31 PM

XION 6/3/2024 4:44 PM

Dr.Drom 6/3/2024 4:45 PM
Congrats

(I don't mean that sarcastic congrats for Eva serious) (edited)

XION 6/3/2024 4:46 PM
Ty

XION 6/10/2024 10:44 PM
Would it be wrong for me to ask us to start again

Dr.Drom 6/10/2024 10:49 PM
Um

wdym

XION 6/10/2024 10:49 PM
Like, start over I mean.

Dr.Drom 6/10/2024 10:50 PM
Im sorry Im just a little confused at the moment

XION 6/10/2024 10:50 PM
No worries, I won't make you or anything, I've just been thinking about new slates and such

> XION No worries, I won't make you or anything, I've just been thinking about new slates and such

Dr.Drom 6/10/2024 10:51 PM
Do you mean make over OOC?

Im sorry I am still just confused on what you mean by

XION 6/10/2024 10:53 PM
Yea ooc

Dr.Drom 6/10/2024 10:54 PM
Of course I thought we already worked it out

I thought?

I mean its been rough tbf I couldnt even talk in general without being bullied

even Aztergold made a report on another server cause of it

XION 6/10/2024 10:57 PM
I know I meant like, eventually being able to rp again with bounds(?) of sorts,
But I do want to be able to just, talk

> **XION** I know I meant like, eventually being able to rp again with bounds(?) of sorts, But I do want to be able to just, talk

Dr.Drom 6/10/2024 10:58 PM
Of course

XION 6/10/2024 11:01 PM
Like I enjoyed our rp, just wish we had more bounds and listened a bit more, on both ends

Dr.Drom 6/10/2024 11:02 PM
Yea that was a mistake.

XION 6/10/2024 11:02 PM
And I'm wanting to fix it Yknow?

Like being able to say no, being less caught up in it all

Dr.Drom 6/10/2024 11:03 PM
I do I understand

We did get caught up into and just taken a step back in RP what I said and did with Fiorenzo Mason and Nicholas I do apologize for

XION 6/10/2024 11:05 PM
I know, and I forgive you, because I want to improve *with* you

Dr.Drom 6/10/2024 11:06 PM
I know I do too

XION 6/10/2024 11:07 PM
Like not to stir it up but lowkey our erp was fire LMFAO we just needed to know bounds on where we took it ooc

Dr.Drom 6/10/2024 11:09 PM
I dont want to stir it either but it was interesting yea we just needed bounds

XION 6/10/2024 11:10 PM
It was exploration mostly I think that's why it was easier to catch

Dr.Drom 6/10/2024 11:10 PM
Mhm, yea we just needed bounderies I overstepped it and we never said no

as in since I have been back I have only done one event involving it which was with Evelyn and we faded to black cause something came up IC

XION 6/10/2024 11:12 PM
I'm glad you're improving :)

Dr.Drom 6/10/2024 11:13 PM
How about you?

I dont know if youve also taken a step back

We might run into each other actually as Fiorenzo and Eva soon cause we are going to Strawberry as we never celebrated our honeymoon

XION 6/10/2024 11:16 PM
Actually I bumped into you once

I was Indigo and my walking cycle glitched so I ended up walking into your yard I think lol

Dr.Drom 6/10/2024 11:16 PM
Oh yea thats right

Evelyn was showing me the outside and renevations

XION 6/10/2024 11:18 PM
Did yall end up with the inside interior?

Dr.Drom 6/10/2024 11:18 PM
Um no but we suggest a MLO

XION 6/10/2024 11:19 PM
MLO?

Dr.Drom 6/10/2024 11:19 PM
Um Modifications for Interior basically

its like a modded house like Caliga or

XION 6/10/2024 11:22 PM
Ohhh

Dr.Drom 6/10/2024 11:22 PM
Yea basically its a modded building

XION 6/10/2024 11:22 PM
Eve and Fionn get married this Saturday (hopefully)

Dr.Drom 6/10/2024 11:23 PM
Why is it hopefully?

XION 6/10/2024 11:23 PM
Bc the priest hasn't responded to my telegram lmfao

> **XION** Bc the priest hasn't responded to my telegram lmfao

Dr.Drom 6/10/2024 11:23 PM
Oh
Hm whos the priest Cade right
I dont think there are any priest but you can have anyone commune you maybe
I mean I am getting married too soon as Andrew Johnson
as well his fiancé Molly is pregnant too and we did that behind the scenes (edited)

> **Dr.Drom** as well his fiancé Molly is pregnant too and we did that behind the scenes (edited)

XION 6/10/2024 11:26 PM
Yeah Eves in the early EARLY stages, just symptoms, they need to actually wait a bit before anything can be confirmed,

> **XION** Yeah Eves in the early EARLY stages, just symptoms, they need to actually wait a bit before anything can be confirmed,

Dr.Drom 6/10/2024 11:27 PM
Mhm
it takes a while I mean admins will have you actually wait 9 months
we are actually going threw outfits right now that would make her look pregnant IC
Its kindof the same Molly IC has been experiencing morning sickness
as well I am only really doing anything of that nature of well Erotic with Kayoshi (edited)

I dont know we wanted to do like a forbidden love idea

and then obviously she was okay with me and Evelyn and Molly too

> **Dr.Drom** as well I am only really doing anything of that nature of well Erotic with Kayoshi (edited)

XION 6/10/2024 11:33 PM

Oh that I expected lol

I fear she hates me somewhat bc of what I did

Dr.Drom 6/10/2024 11:34 PM

She isnt that type of person she is more upset at me

weve been fighting because shes worried somehting like that will happen again

and we are just taking it slow

XION 6/10/2024 11:35 PM

I see

With Tanaa (Fionn) we kinda stuck any erp to be more romance oriented than anything else, bc it was less awkward to write and honestly easier to incorporate

Dr.Drom 6/10/2024 11:37 PM

Of course rather then pleasure its for good reason

honestly it was my problem really I dont know why because before you joined the amount of people who played like workers was crazy and I actually fell into that

and then it just became... a large problem.

XION 6/10/2024 11:39 PM
Yeah, and with indigo now it's kinda limited to a FWB , this man she sorta likes, and then a one off with this woman

> **XION** Yeah, and with indigo now it's kinda limited to a FWB , this man she sorta likes, and then a one off with this woman

Dr.Drom 6/10/2024 11:40 PM
Mhm I mean before I only had one character which was Fiorenzo even then it felt bad to

because the first who plays them says they ERP I didnt know what it was and then well it lead to Evelyn and Fiorenzo in their office

but then as time continued with them it was sometimes daily but when we left as Fiorenzo and Evelyn cause of stuff was happening I got lost in it with John Cross, then Mason, then Lawrence

but now its more of a romantic aspect of course

similar to Fionn and you, like definetly when Fiorenzo and Evelyn go on their honeymoon somethings gonna happen but when they get back its all buisness

and then obviously same with me and Kayoshi we plan to take it slow then have like a event bring us together

but I muted the server and I cant even talk there anymore without being bombarded by rude remarks

XION 6/10/2024 11:45 PM
I hate to ask but- can I see examples of the remarks?

Dr.Drom 6/10/2024 11:45 PM
If I can find them

> **Dr.Drom** similar to Fionn and you, like definetly when Fiorenzo and Evelyn go on their honeymoon somethings gonna happen but when they get back it...

XION 6/10/2024 11:46 PM
Like Fionn and eve have a designated place for it?
In aurora basin lol

If we don't wanna do detail we don't if we wanna skip ahead we do that too

And with other characters I'm slowly trying to expand Indigo's background?
Like- making connections

Dr.Drom 6/10/2024 11:50 PM

Dr.Drom *Click to see attachment* 🏞️

Dr.Drom *Click to see attachment* 🏞️

XION 6/10/2024 11:55 PM
For the West Elizabeth one where do yall typically go bc I know I have a camp set up in Aurora lol

Dr.Drom 6/10/2024 11:56 PM
We dont go to Aurora we have a camp near actually Beechers hope

its for the Native and White man

basically she is Makoyi and slowly turning into a romance basically pokahontis theme

and with Evelyn we always do it inside and on a bed

Mei and Andrew Smith stuff obviously in Colter and Armadillo area (edited)

Dr.Drom We dont go to Aurora we have a camp near actually Beechers hope

XION 6/10/2024 11:59 PM
Oh??
Just be careful bc Beecher's has folk now

Dr.Drom 6/10/2024 11:59 PM
I know that would be really awkward

it could

but I have been enjoying RP with Molly too just all we do is kiss and do thinks like fade to black

XION 6/11/2024 12:02 AM
That's nice

Dr.Drom 6/11/2024 12:05 AM
Yea not stirring the pot but definitely the stuff we did was interesting (edited)

XION 6/11/2024 12:07 AM
Do you mind sharing obvi if I'm crossing let me know

Dr.Drom 6/11/2024 12:07 AM
Uh sure sharing like what specifically

XION 6/11/2024 12:08 AM

> **XION** Like what you did Again if I cross I'll back up

Dr.Drom 6/11/2024 12:08 AM
I dont know like alot of thing we did with Florence was very... interesting
Your not crossing and I want to make sure i am not crossing either

XION 6/11/2024 12:11 AM

Dr.Drom 6/11/2024 12:12 AM
Oh no I meant Florence
Im talking back then

XION 6/11/2024 12:13 AM
Ohh

Dr.Drom 6/11/2024 12:13 AM

Dr.Drom 6/11/2024 11:23 AM
Oh your really close then!
Actually me and some others from Makoyi are probably making our own server
Tahoma is being really unfair and unhappy towards all of us
and its getting tiresome

XION 6/11/2024 11:30 AM
Wdym

What happened

Dr.Drom 6/11/2024 11:31 AM
Crowsong got banned

He said the word Rapist because some guy kidnapped two of the Makoyi women and called them "His little Native Present"

and hes the one who gets banned

abd then the guy who kidnapped them go off on Crowsong in DMs about his motive

XION 6/11/2024 11:33 AM
Was it Siqka

Dr.Drom 6/11/2024 11:58 PM

Just want to make sure

XION 6/12/2024 12:01 AM

Dr.Drom 6/12/2024 12:04 AM

Dr.Drom 6/12/2024 9:21 AM
Mhm, I dont know what happened with Andrew Johnson Xd
the person who plays his fiance just said bye in the Larsson discord without reason. So I am trying how to think I can RP it
or just void it

XION 6/12/2024 9:23 AM
Huh?
Andrew Johnson?

Dr.Drom 6/12/2024 9:23 AM
Yea it was weird
Hes my other character

XION 6/12/2024 9:23 AM

Dr.Drom 6/12/2024 9:24 AM
Andrew Gump
but got to change his name
his surname

> **Dr.Drom** Mhm, I dont know what happened with Andrew Johnson Xd

XION 6/12/2024 9:24 AM
What was the character ? The fiancé

Dr.Drom 6/12/2024 9:25 AM
Molly Hick
it probably was due to low activity tbf at the Manor
they never gave a reason just bye

XION 6/12/2024 9:25 AM
Did you dm her

Dr.Drom 6/12/2024 9:26 AM

and our applications for High Society and Carepackage
other then that just small information here and there

XION 6/12/2024 9:27 AM
Oh yeah? How does carepackage work btw
Like from what you've seen

Dr.Drom 6/12/2024 9:27 AM
Um you have to make a good reason to why you are making it like how you got that money in the first place
I know they wanted to go to Caliga hall too maybe thats why or Braithwaites
so maybe they made a character for there
its okay though it might just be voided or just find a way to RP them leaving. Maybe they fell ill

XION 6/12/2024 9:34 AM
Ohh
I'm debating on making a corrupt priest character of sorts

Dr.Drom 6/12/2024 9:35 AM
corrupt nun would go crazy or priest

Dr.Drom 6/12/2024 9:51 AM
Tsk I found out the reason why they left

XION 6/12/2024 9:52 AM
Oh?

Dr.Drom 6/12/2024 9:52 AM

XION 6/12/2024 9:52 AM

Dr.Drom 6/12/2024 9:53 AM

XION 6/12/2024 9:54 AM
Oh shit

Dr.Drom 6/12/2024 9:59 AM
Yea but its okay I think they are to be voided

XION 6/12/2024 10:04 AM
